Dr. Nordin has been with Incyte Diagnostics since 1986. He has served as the laboratory medical director at Overlake Hospital Medical Center in Bellevue, WA for over 20 years, in addition to holding privileges at Valley Medical Center in Renton, WA.

Dr. Nordin is board certified in anatomic and clinical pathology with subspecialty expertise in cytopathology, including fine needle aspirations.

After graduating magna cum laude and receiving the Dean's Award from the University of South Dakota in Vermillion, South Dakota, Dr. Nordin went on to complete his medical degree at the University of Minnesota School of Medicine in Minneapolis, MN.

Dr. Nordin completed a rotating internship with emphasis on internal medicine at Hennepin County Medical Center in Minneapolis, MN. Following this, he completed his residency in anatomic and clinical pathology at the University of Washington in Seattle, WA.

With over 37 year's experience in the Puget Sound area, Dr Nordin has been an associate professor of clinical pathology at the University of Washington since 1978 and has served Overlake Hospital Medical Center in Bellevue, WA as a pathologist and medical director of laboratories since 1986. Additionally, Dr. Nordin was the chief of staff at Overlake Hospital Medical Center from 1995-1998.

A past president of the Pacific Northwest Society of Pathologists, Dr. Nordin has also been a diplomate of the United States National Board of Medical Examiners since

1973.

Dr. Nordin served terms as president-elect for the Snohomish Medical Society and was a Washington State Commissioner of the laboratory inspection and accreditation program for the College of American Pathologists. Dr. Nordin is currently licensed in Washington.
