Dr. Simpson joined Incyte Diagnostics in 2024, and he is board certified in anatomic and clinical pathology.

After graduating with a Bachelor of Science in biochemistry from Seattle Pacific University in Seattle, WA, Dr. Simpson completed his medical degree at the University of Arizona College of Medicine in Tucson, AZ.

Dr. Simpson completed a residency in anatomic and clinical pathology at the University of Utah and ARUP Laboratories in Salt Lake City, UT. He followed his residency with fellowship training in cytopathology at the same institution.

In addition to his professional training, Dr. Simpson has contributed to laboratory management as an Assistant Medical Director in both AP Quality Assurance and the Automated Core Lab at ARUP Laboratories.

Dr. Simpson's leadership extends to his involvement in professional organizations. He is a member of the Alpha Omega Alpha Honor Medical Society, the College of American Pathologists, the American Society for Clinical Pathology, and the Digital Pathology Association.

In his free time, Dr. Simpson enjoys golfing, skiing, and wake surfing.
